What's Included

✓ **WeChat Verified Account Creation and Ads Funding**

WeChat has over a billion users. Post articles, create moments for your followers, run ad campaigns and create mini sites to introduce users to your product.

✓ **Douyin (Chinese TikTok) Account Creation and Ads Funding**

By having the option to interact with top Chinese TikTok influencers, we can have short interactive brand videos shared and involve millions of followers.

✓ **Programmatic Advertising (EternityX)**

EternityX is a powerful programmatic solution for your Chinese audience. They power one of the most advanced marketing technologies on the market today, allowing clients to target extremely specific audiences across a huge range of media.

✓ **Weibo Verified Account Creation and Ads Funding**

445 million people use the micro blogging site, Weibo, every month. It's highly effective in targeting potential customers for your brand.

✓ **Baidu Account Creation and Ads Funding**

Baidu has the second largest search engine in the world, and held a 76.05% market share in China's search engine market. It offers various services, including a Chinese search engine search, brand-zone or display ads, as well as a mapping service called Baidu Maps.
